Mark Felix
Investment Manager
Dow Venture Capital

Mark Felix is an Investment Manager in Dow Venture Capital (DVC), an investment arm of The Dow Chemical Company. Felix is responsible for sourcing and executing strategic investments that enable and accelerate Dow's business growth.

Felix has a broad background of commercial, technology, and business development experience, having served most recently as Global Strategic Marketing Manager for Architectural Binders in Dow Coating Materials.

Felix has utilized Venture Capital as a means of creating new businesses for Dow in the field of Human Health & Diagnostics. He has also held several roles in Specialty and Performance Chemicals in the areas of Household & Personal Care, Biocides, Dow Wolff Cellulosics and Polyglycols & Surfactants.

Felix earned a degree in Chemistry and a doctorate in Organometallic Chemistry from University College London. He is based in Horgen, Switzerland.
