Important Information	If a generic drug is available, you are responsible for the generic coinsurance plus the difference in cost between the brand-name and generic drug, plus any deductible. After an initial retail prescription and two refills, coinsurance will go up to 50% unless you use mail order. This does not apply to your Out-of-Pocket Maximum. Certain drugs require pre-certification and/or step therapy. Specialty drug cost sharing differs.		Certain preventive medications are covered with no deductible (in-network 80% and out-of-network 60%). If a generic drug is available, you are responsible for the generic coinsurance plus the difference in cost between the brand-name and generic drug, plus any deductible.
