Choice of Participating Dental Facility

NOTE: For members receiving services from LA Providers: The CDH managed dental care network has been carefully selected for your convenience. Under Louisiana law, you may choose to go to a non-plan LA dentist. If you want to make this choice and there is another dental plan for you to select, it is recommended that you select that plan and benefits. If you choose the in-network plan you can still go to a non-plan dentist. However, the non-plan dentist is not under contract with CDH and does not have to charge you in accordance with the CDH Patient Charge Schedule. Therefore, you will have to pay the dentist's usual and customary fees for any procedures performed, minus a minimal payment from CDH representing the amount we would have paid to a dentist under contract with us. Please call CDH Member Services at 1-800-Cigna24 for further explanation and arrangement for payment.

Termination Of Insurance

Employees and Dependents

Special Continuation of Dental Insurance

If your Dental Insurance would otherwise cease because of a reduction in the number of hours you work or your termination of employment for any reason other than gross misconduct, you may continue the insurance by paying the required premium to the Employer. The insurance may be continued until the earliest of:

- 18 months from the date your Active Service ends;
- the last day for which you have paid the required premium;
- the date you become eligible for insurance under another group policy for dental benefits, including Medicare, unless you have a pre-existing condition for which the new policy limits coverage, in which case coverage under this Plan will continue until the pre-existing condition limitation has been satisfied, unless coverage under this Plan otherwise ends in accordance with this section;
- the date the policy cancels.

The Employer will notify you of your right to elect such continuation.

You must elect to continue insurance within 60 days of the later of:

- the date notice of the right to continue insurance is received; or
- the date the insurance would otherwise cease.

If your insurance is being continued, as outlined above, the insurance for any of your Dependents insured on the date your insurance would otherwise cease may be continued, subject to the above provisions. The insurance will continue until the earlier of:

- the date your insurance ceases; or
- with respect to any one Dependent, the date that Dependent no longer qualifies as a Dependent.

When this Special Provision ceases, the provisions of the "Dental Conversion Privilege" section will apply for your Dependents.

For Dependents of Deceased Employee

If you die while insured for your Dependents, the insurance for your Dependents will be continued in accordance with the "Dependent Dental Insurance After Your Death" provision.

However, if the Dependents elect to continue the insurance beyond the last day of the "Dependent Dental Insurance After Your Death" provision, they must notify the Employer within 90 days of your death and pay the required premium. Such continued insurance will cease on the earliest date below:

- the date coverage ends due to the Dependents' failure to make payment of the required premium;
- the date the insurance for your Dependents would have ceased if you had not died;
- the date the Dependent ceases to qualify as a Dependent, except as provided in the "Continuation for Dependent Children" provision;
- the date the Dependent becomes insured under another group health plan, including Medicare, except as provided in the "Continuation for Dependent Children" provision;
- the date the policy cancels.

Dependent Insurance After Divorce or Legal Separation

The Dental Expense Insurance for:

- your insured spouse; and
- any insured child who would cease to qualify as your Dependent as a result of your divorce or legal separation;
- may be continued, with premium payment, if you are required by decree to provide continued Dental Expense Insurance for them. However, the insurance on those Dependents will cease on the earliest date below:
  - the date coverage ends due to your failure to make payment of the required premium;
  - the date your insurance ceases;
  - the date your Dependent ceases to qualify as a Dependent, other than due to the spouse's remarriage;
  - the date Dependent Insurance is canceled.

To have Dependent Dental Insurance continued, you must notify the Employer of the decree and pay any required contribution to the Employer within 30 days after the Dependent Dental Insurance would otherwise cease.

If you die, any other terms which continue Dependent Dental Insurance after your death will apply.

The Continuation for Dependent Children provision and Dental Conversion Privilege will be available when this Dependent Dental Insurance ceases.

Reinstatement of Insurance

If your coverage ceases because of active duty in: the armed forces of the United States, or the National Guard, the insurance for you and your Dependents will be reinstated after your deactivation, provided that:

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

You must be a Utah resident.

You must have insurance coverage under an individual or group policy.

POLICIES COVERED

ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's guaranty association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefits plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of ULHIGA, including health plans, fraternal benefits societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or $500,000 - whichever is lower. Other caps also apply:

$200,000 in net cash surrender values.

$500,000 in life insurance death benefits (including cash surrender values).

$500,000 in health insurance benefits.

$200,000 in annuity benefits - if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.

$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).

Interest rates on some policies may be adjusted downward.

If you are covered by more than one health benefit plan, and you do not know which is your primary plan, you or your provider should contact any one of the health plans to verify which plan is primary. The health plan you contact is responsible for working with the other plan to determine which is primary and will let you know within thirty calendar days.

If you or your provider fail to submit your claim to a secondary health plan within that plan's claim filing time limit, the plan can deny the claim. Telemedicine/Telehealth

For the vast majority of dental services, (restorations, root canal treatments, extractions, dentures, etc.) the dentist and patient need to be in the same physical location (the dental office). However, for a limited number of covered dental services, such as interpretation of diagnostic image by a practitioner not associated with capture of the image, or oral hygiene instructions, Cigna customers can consult a licensed dentist online, or over the phone using a standard web-cam integrated in many laptops or mobile devices.
