

Manage Medicare with Alight

Medicare can be confusing. But it's important to sort through all the different plan types and multiple insurance companies, which can be time-consuming and difficult. Even more so when it comes to analyzing benefits and out-of-pocket costs.

You don't have to go it alone. Alight Retiree Health Solutions is an advisory service helping people navigate and understand Medicare. We empower retirees, like you, by providing objective and personalized guidance so you can enroll in health care coverage that fits your needs and budget.

Using our customized analysis and support services, let us help you sort through the options so you can decide on coverage that's right for you. We represent many large national carriers as well as smaller regional options.

Depend on excellent service and value — the cornerstone of Alight.

Access a large selection of Medicare insurance carriers nationwide for one-stop shopping.

Rely on our analytical tools to find the best coverage and value for your needs.

Get personalized, unbiased guidance from a licensed Benefits Advisor.
