Use this Plan to Fill Your Long-Term Medications

And make the most of your new benefits

This plan offers you choice and savings when it comes to filling long-term prescriptions (medications you take regularly such as asthma or high blood pressure medications). Simply make a few changes to enjoy these savings.

CVS Caremark® Mail Service Pharmacy:

- Enjoy convenient home delivery
- Receive your medications in private, tamper-resistant and (when needed) temperature-controlled packaging
- Talk to a pharmacist by phone

We'll make the transition easier by transferring any prescription you're currently filling by mail to CVS Caremark Mail Service Pharmacy as long as you have refills left.

We'll send your medications to your location of choice.

- When you receive your member ID card, register at **Caremark.com** and follow the instructions to request a new 90-day prescription or refill an existing prescription if one is available to you.
- Note: Prescriptions for some medications, including controlled substances and compound medications, cannot be transferred. If you're not sure if you are taking this type of medication, please talk to your doctor.

To sign up for mail service for the first time, you'll need to transfer your prescriptions.

Don't worry, we make it easy.

- For pickup at CVS Pharmacy®, visit **Caremark.com/MoveMyMeds**
- For delivery by mail, visit **Caremark.com/RxDelivery**

CVS Pharmacy:

- Pick up your medication at a time that is convenient for you
- Enjoy same-day prescription availability
- Talk with a pharmacist face-to-face

To pick up at CVS Pharmacy, choose the option that works best for you.

- Register or log into **Caremark.com** to select a CVS Pharmacy location for pick up
- Visit your local CVS Pharmacy and talk to the pharmacist
- Call us using the number on your member ID card, and we'll handle the rest

For personalized support, call the phone number on your member ID card or visit **Caremark.com** (after your benefits begin).
