Subject: Awareness Notification of Legal Entity Changes

Dear Valued Supplier,

Dow Inc. (NYSE: DOW) and affiliated companies have initiated a restructuring of the Dow Olefinverbund GmbH related to certain site infrastructure assets and services at its sites in Schkopau and Böhlen.

With these changes, a Dow legal entity you are currently doing business with may change with regard to transactions and invoicing. Please note that not all Dow legal entities that you do business with today may be impacted.

Please prepare for the upcoming timeline and legal entity changes, which may affect your transactions and invoicing. A legal stand-up is scheduled for May 2025, with a transactional recess occurring beforehand. For your security, please reference our [LearnAboutDowLE.com](https://www.learnaboutdowle.com) website, under the Dow Olefinverbund GmbH, Germany – Infrastructure Supplier section, to validate the information in this letter. This website also contains a frequently asked questions section for your assistance. A second letter with more details regarding this information will be sent in the coming weeks.

We appreciate your business and are committed to making this transition as seamless as possible.

Sincerely,
