Dr. Louis Voiron

EH&S Update – Mary Meyer

- Safety Update – As of 12/02, site is 115 days injury free.
- Q3 groundwater samples showed no issues, and fourth-quarter samples taken in November are still pending with LDEQ.
- Taylor Best, ES&S Director, will retire at the end of the year. Brant Bergeron will be named as new director. The site successfully completed annual cyber and sitewide safety drills.

Business Update – Wes Heinlein

- Third-quarter results exceeded both Wall Street expectations and profitability margin, though overall performance remains low.
- Poly B Train 1 has been restarted and the Poly A Train underwent repairs with a significant investment.

Community Updates – Stephanie Malin

- LAO participated in Santa's Helper Toy Drive (WBR Sheriff's office)
- Dow Foundation donated to Greater Baton Rouge Food Bank and held a food drive for The Gumbo Pantry for additional support
- The site successfully completed the workplace giving campaign for United Way
- LAO participated in 10 – 15 STEM and workforce events in the 3rd quarter

Roundtable

- Iberville 911 expansion project is underway (expanding call center and focus on combining communications with sheriff's department)
- WBR School Board had 5 bond renewals passed.
- WBR Sheriff's Office used a grant from Dow Foundation to purchase ballistic shields for School Resource Officers. Senior Citizens & LEO event (along with Dow SLT) participated in event to teach senior citizens about scams and to help build relationships.

- WBR Parish gave an update on Intracoastal Bridge construction and for Hwy 415 Connector project.
- Iberville Parish School Board reported the STAR academy (7th & 8th grade based Math and Science program at White Castle and East Iberville) has seen significant increases in participation.
