Subject: Notification of Legal Entity Changes

Dear Valued Supplier,

Dow Inc. (NYSE: DOW) and affiliated companies are initiating a new legal entity related to certain site infrastructure assets and services at its sites in Freeport, Texas; Seadrift, Texas; Texas City, Texas; Plaquemine, Louisiana; and St. Charles, Louisiana.

With these changes, a Dow legal entity you are currently doing business with may change with regards to transactions and invoicing documentation. Please note that not all Dow legal entities you do business with today may be impacted.

To ensure a seamless transition, **a transactional recess for the impacted legal entities** will occur in the days leading up to the changes. Please note that in response to this change, you may need to address invoices to a different legal entity after these changes occur.

You will receive a second communication to confirm the exact details on specific timing. Transactions and shipment schedules for all other Dow products will not be impacted during this recess period.

Next Steps

Please reference our [LearnAboutDowLE.com](https://www.learnaboutdowle.com) website to review the changing legal entities, which will impact you under the section **New Legal Entity Structure – USGC – Infrastructure Assets**. Our goal of utilizing this website is to protect your business and transactions with us. We recommend that you verify the authenticity of this communication using this website. It was designed to be a key step in validating the content you are receiving from Dow. This approach is to help minimize cyber security disruptions and payment scams.

We sincerely appreciate your support and are committed to making this transition as seamless as possible.

Best regards,

Dow
