

10 Ways to Make Every Day Earth Day

Protecting the Planet Starts with Us.

Plant a Tree

One large tree supplies one day of oxygen for four people.

Shop Smart

Carry reusable shopping bags and shop local.

Conserve Water

Turn off the tap while brushing your teeth and take shorter showers.

Fill. Drink. Repeat.

Avoid single-use bottles and use reusable water bottles and mugs.

Reduce, Reuse, Recycle

Take time to sort trash, donate used clothing and repurpose items when possible.

Volunteer

Take part in local cleanups to protect waterways and habitats.

Save Energy

Replace incandescent light bulbs with energy-efficient LED bulbs.

Save Energy on Laundry

Wash clothes in cold water and use a clothesline or drying rack instead of the dryer.

Plant a Garden

Growing your own produce reduces your carbon footprint.

Maintain Your Vehicle

Clean filters and properly inflated tires promote better fuel efficiency.
